DERMOCÉAN

ALGAE PEELING POWDER

This exfoliating powder contains microcrystals of marine algae that effectively renew skin cells while delivering essential minerals and antioxidants to the skin.

Enriched with three natural extracts that soothe and protect the skin, minimizing the risk of irritation and ensuring a safe exfoliation experience.

EXFOLIATE

KEY BENEFITS:

- Exfoliates and removes dead skin cells.
- Cleanses pores and reduces blackheads.
- Fades pigmentation and dark spots.
- Stimulates collagen production and minimizes fine lines.
- Helps treat acne and blemishes.

Active Ingredients:

Algae Extract
Hydrates, detoxifies
promotes renewal

Calendula Extract
Soothes, heals,
anti-inflammatory.

Melissa Extract
Calms, boosts collagen,
reduces wrinkles.

Chamomile Extract
Anti-inflammatory,
soothes, reduces redness

How to Use ?

- In a sterile bowl, mix the peeling powder with 4 full pumps of the support solution.
- Blend thoroughly until a smooth, homogeneous texture is achieved.
- Let the formula rest for 15 minutes before applying

PEELING SUPPORT SOLUTION

This powerful solution is the perfect companion for your peeling powder preparing your skin for the treatment and ensuring a thorough, strong disinfection process. It's not just a preparatory step-it's a vital part of the protocol, providing a sense of care and protection for your skin. With its anti inflammatory and antibacterial properties, it soothes and shields your skin, giving you confidence in its healing process.

Key Benefits:

- Exfoliates and purifies the skin.
- Reduces pigmentation and brightens the complexion.
- Provides intense hydration and locks in moisture.
- Promotes an even skin tone and smooth texture.
- Calms and soothes sensitive skin

Active Ingredients:

Hydrogen Peroxide: Gently exfoliates, brightens, and purifies.

Glycerin: Deeply hydrates and softens.

Daisy Flower Extract: Reduces dark spots, evens skin tone, soothes irritation.

How to Use ?

1. Dispense 4 full pumps of the Support Solution into a sterile bowl.
2. Add the Peeling Powder and mix until a smooth, uniform texture is obtained.
3. Let the mixture sit for 15 minutes before applying.

Apply the mixture according to the selected protocol.

CALMING MASK

Let the soothing touch of the Cucumber Calming Mask wrap your skin in a calming embrace. Infused with the nourishing power of cucumbers, this mask replenishes your skin with essential vitamins and minerals-like Vitamin C, B1, B2, B5, B6, iron, folic acid, zinc, calcium, and potassium that work in harmony to soothe, renew, and refresh.

Key Benefits:

- Reduces redness and soothes the skin after exfoliation.
- Replenishes lost moisture, preventing dryness and flakiness.
- Supports skin regeneration and repairs micro-damages.
- Minimizes swelling and calms inflamed skin.

Active Ingredients:

Cucumber Fruit Extract:

Hydrates and refreshes the skin.

Reduces puffiness and soothes irritation.

Butylene Glycol & Sodium Hyaluronate:

Deeply hydrates and locks in moisture.

Enhances skin elasticity and plumps fine lines.

Aloe Vera:

Calms inflammation and soothes redness.

Promotes skin healing and regeneration

How to Use ?

1. Apply with a brush, avoiding the eye area.
2. Leave for 10 minutes..
3. Wipe with normal water.

WATER-BASED SUNSCREEN SPF 50

Even when your skin feels vulnerable, this powerful sunscreen offers your skin an impenetrable shield of protection, guarding it against the harshest external elements. With an impressive +50 SPF, it provides exceptional defense against both UV-A and UV-B rays, preventing burns and protecting your skin from the damage that causes premature aging. But it doesn't stop there-it goes beyond protection.

PROTECT

Key Benefits:

- Protects the skin from UV rays that can aggravate sensitivity after peeling.
- Prevents pigmentation and dark spots caused by sun exposure.
- Soothes the skin, reducing redness and inflammation.
- Preserves peeling results and shields new skin cells.
- Hydrates the skin and strengthens its protective barrier to accelerate healing

Active Ingredients:

- **Arbutin:** Reduces dark spots and evens skin tone.
- **Tocopherol:** Protects and nourishes the skin.
- **Cassia Alata Extract:** Soothes and defends against damage.

How to Use

- Apply a thin, even layer to the face.
- Reapply every 3 hours during the day.
- Emphasize sun avoidance for optimal healing and results.
